

How can research support policy processes on climate-induced migration?

9th of November 2016

13:00 – 14:30

Room Oum Errabia (Green Zone - COP22)

Speakers:

Driss **El Yazami** (Moroccan Council for Human Rights)
Dina **Ionesco** (International Organisation for Migration)
The Hugo Observatory (Université de Liège):
François **Gemenne**, Sara **Vigil**, Caroline **Zickgraf**,
Pierre **Ozer**, Dalila **Gharbaoui** & Nakia **Pearson**.

This session will seek to provide a state-of-art of current research on climate migration and discuss how the most recent research findings can support the development and implementation of the Task Force and the new Platform on Disaster Displacement.
